

Goetz Daily Prayer for: Wednesday June 22, 2022

Good morning, Gators.

In the gospel of John 10:10, we read the following:

“I have come so that they may have life and have it to the full.”

Please join me in morning prayer.

Let us pray,

Loving God,

You wish for each of us to have life to the full. A life full of grace and joy in the experience of all things. This morning, let us give thanks for all that is good and brings life to our FMG community, our homes, our local parishes and Churches, our faith communities, and the world at large. May we always contribute to the goodness and joy that You reveal to us this day and always.

We thank you God for all the gifts we possess and share that make our life full. We thank you especially for the gift of your son Jesus Christ, who not only became human in order to show us the way to a happy life, but who demonstrated to us authentic love and service to the other by giving of Himself for all of humanity.

We thank you God for showing us how to love. May we always be that visible presence of your light and love.

We ask all of this through Christ, our Lord. Amen.

St. Andre Bessette, pray for us.
