June 6th, 2022

Dear Parents/Guardians,

Under the Transdisciplinary Theme “Sharing the Planet”, students have spent the last several weeks exploring the Central Idea “Trees are a life sustaining resource”. During this fieldtrip, students will have the opportunity to spend a day with the trees to see their learning first-hand as they explore the local forest near the school. To further their learning the FDK students will be walking to R.K. McMillan Park – Lakefront Promenade Park. We will be leaving the school at 9:15 a.m. and returning by 2:30 p.m.

FDK-A (Ms. Gates/Ms. Johnson) will be participating on Monday June 20th, 2022.

FDK-B (Ms. Galea/Ms. Carreon) will be participating on Wednesday June 22nd, 2022.

Appropriate walking shoes and clothing for outdoors is essential to ensure that the students can participate fully. Any medical conditions should be brought to the attention of the teacher prior to the trip. Students will need to bring their lunch, snacks, and water with them. There will be no cost for this trip.

As with all of our school trips, parent volunteers are very important. If you would like to be considered as a volunteer, please send a note to the classroom teacher in your child’s communication book. Only those that have a police check on file can be considered. Volunteers are taken on a first come, first served basis with signed permission received. **You will be notified by the teacher if you will be joining the trip** (notification will only be made if you are joining the trip, if you do not hear from the teacher, please take that as notification you are not joining this trip). We regret that younger siblings are not able to accompany us on the trip to R.K. McMillan Park - Lakefront Promenade Park.

If you wish for your child to participate, please print, sign and forward only the **second page** of the GF115 permission form to the teacher.

Permission forms are due by **Thursday June 16<sup>th</sup>, 2022.**

Sincerely,

The FDK Team
