

Who is Eligible?

Children are eligible for coverage if they are:

- a) more than 6 months old;
- b) less than 27 years old; and
- c) live in Canada, except the province of Quebec.

If a child is 14 years old or older at any time during the Coverage Period, they must be a full-time student within the 12 months prior to any claim. We define a full-time student as being enrolled in a minimum of 3 courses at the same time, during any 4-month period.

If you have children enrolled in different schools or school boards, they may all be insured under one policy.

Protect your loved ones 24/7 with insuremykids®

Get the financial protection your family needs.

If your child is involved in an accident, whether at school or during non-school hours, insuremykids® protects your family from the resulting expenses, which are not normally covered under your government health and group insurance plans.

The Platinum Plan - our best selling plan - only \$33/year

For only \$33.00 a year, the Platinum Plan offers our best value in 24/7 accident insurance coverage. Plus, it is our only plan to offer out-of-province emergency medical coverage (up to \$200,000) plus other travel benefits.

How much of a difference can insuremykids® really make?

Example: A 15 year-old was playing soccer in gym class. The student suffered a knee injury and required medical treatment.

Knee Brace	\$0	\$1,500
Crutches	\$0	\$35
