SCHOOL BOARD PRIORITIES SURVEY

The Dufferin-Peel Catholic District School Board is seeking feedback from parents, guardians, staff, and community members about what the board's budget and system priorities should be for the 2018-2019 school year. These priorities will also support longer term strategic planning in the board.

Feedback will be collected through an anonymous online survey that asks participants to consider the importance of a variety of initiatives and resources that may be supported through the system's finite, available funds.

The survey is brief and takes approximately 10 minutes to complete. To participate, please visit the board website at www.dpcdsb.org or scan the image below:
