

Grade 9: Course Selection Worksheet 2024-25

Course Selection Recommendations:

- Grade 9 students must select either Destream (**W**) or Workplace (**L**) program for each of English, Mathematics, and Science. Workplace level courses should only be selected following consultation with Grade 8 teacher/SERT.
- Grade 9 students must select from Destream (**D**) or Open (**O**) program for French. Please note that FSF1**O**1 is only available for students with less than 600 hours of French in Elementary school.
- Grade 9 students are required to select a Religion credit: HRE1O1
- Please note that all of the elective options listed below for Gr.9 are courses for the Ontario Secondary School Diploma (OSSD), however they do not have to be completed in Grade 9.
- The Healthy Active Living Education course has two options for Grade 9 students, please indicate either:
 - PPL 1**O**F (Female) or PPL 1**O**M (Male).
- GLE1O1 should only be selected in consultation with your Grade 8 SERT.

Please circle your selections – Choose one course from the bolded compulsory courses and choose 2 elective courses below
