

ATHLETICS

All students that choose to participate on an Athletic Team at Robert F. Hall must read and adhere to the following guidelines:

The primary focus of high school education is to support student achievement and well-being. Robert F. Hall C.S.S. believes that participation in Athletics should be encouraged, as these experiences aid the learning process and ultimately enhance student achievement and well-being. Being part of a Wolfpack team allows students to meet and learn from other students with similar interests and teaches students valuable life skills.

Students must recognize that their participation in Wolfpack Athletics is a privilege, which brings with it the obligations and responsibilities of being a good student and representative of our school. **Each student must realize that his/her participation in these activities is second to their education.**

Students absent from day school without parental permission will not be allowed to appear at school to participate or be involved in any athletic activity on that day. The same applies to students who skip classes on the day of the event.

Students are expected to attend all practices/games/meetings, etc. Students who do not make a commitment to the team for the duration of the season may be removed from the team. Students are reminded that all school rules apply at all school sponsored activities.

Students must always:

- a. Represent Robert F. Hall C.S.S. with honesty, kindness and integrity;
- b. Adhere to the school Catholic Code of Conduct;
- c. Respect themselves, other students, staff, officials, spectators, competitors, etc.

Eligibility:

Our Athletic participation guidelines require the following from each student:

1. Completed Element of Risk and Transportation forms.
2. Regular attendance and to be working to their ability level and full potential in all of their classes. (Failure to do so may result in temporary suspension from the team until improvement can be demonstrated)
3. To pay the \$60 Athletic Fee and any other fees associated with the team **before the start of the season.** (These fees are non-refundable!)

Once selected on a team, if a student does not adhere to the guidelines outlined above or fulfill his/her commitment to the team, he/she will be suspended from involvement in Wolfpack Athletics for 12 months!

Supervision - All athletes must be supervised by their coaches after school. Parents must ensure students are safely on their way home immediately following the conclusion of a game/practice. Students must not be in the building unsupervised.
