RE: **Volunteer Opportunities at PLASP Child Care Services**

---

As you may be aware, each year **hundreds of secondary school students volunteer their time in PLASP After School Programs**. PLASP volunteers, with the direction and assistance of program staff, contribute toward an environment that is safe, FUN and enriching for children.

We would like **your** students to volunteer at PLASP. Interested students can call PLASP's Volunteer Department at (905) 890-1711 to sign up.

**To encourage participation please display this enclosed poster in a busy area of the Guidance Office or the school.**

PLASP volunteers are:

- Male and female, 13 years and older
- Interested in volunteering with children
- ALWAYS with PLASP staff (**NEVER left alone with a child or group of children**)
- Typically participate from 3:30 to 5:45 p.m. one day a week in an *After School Program* at a local elementary school

All volunteers receive amazing training by participating in a comprehensive orientation and games workshop before they begin.

If you have any questions, please call me at (905) 890-1711, extension 147 or ask for the PLASP Volunteer Department.

Thank you very much!  
Sharon
