STRATEGIC SYSTEM PLAN 2019-2022 (DRAFT)

2019-2020 DUFFERIN-PEEL CATHOLIC BOARD IMPROVEMENT LEARNING CYCLE (DRAFT)

CORE VALUES: **BELIEVE**, **EXCEL**, **RESPECT**, **THRIVE**, **TRUST**

CATHOLIC CODE OF CONDUCT

In light of its Mission Statement, the Dufferin-Peel Catholic District School Board is committed to the implementation in every school of the Catholic Code of Conduct that clearly reflects the need to provide a safe, caring, inclusive and healthy Catholic school community. All community members will work together to develop spiritually, intellectually, physically, socially, and emotionally by aspiring to the highest possible standards of Catholic behavior, in living out the gospel values, and by fostering a Catholic culture of respect, responsibility and concern for the common good.

RESPONSIBILITIES OF STUDENTS

Students will exercise self-discipline in their respect for self, staff, fellow students, school property and the property of others. They will take full responsibility for their own actions and strive to live up to the expectations of the Catholic Code of Conduct and all other board/school/class expectations, policies and procedures. They will work towards achieving a virtuous lifestyle, high standards of personal conduct and academic performance, active participation in leadership and service initiatives, concern for the environment, and compassion for those in need.

Students fulfill these responsibilities by:

- Coming to school prepared, on time, ready to learn, and properly attired;
- Striving for excellence in personal conduct and academic performance;
- Cultivating opportunities to develop talents and strengthen personal leadership skills;
- Demonstrating courteous behavior to fellow pupils and staff;
- Contributing to an inclusive school culture by advocating that no student be excluded;
- Defending the rights of fellow students by reporting and/or safely intervening when the rights of others are threatened or violated;
- Cultivating a virtuous life through commitment to gospel values and service to others;
- Participating respectfully in the faith life and liturgical practices of the school community (sacraments, retreats, religion courses etc.);
- Participating in school programs related to wise stewardship of resources, human and other;
- Accepting school discipline as a tool for personal growth, and as an extension of the responsibilities that would be exercised by a kind, firm and judicious parent;
- Refraining from bringing anything to school that may compromise the safety of others;
- Acknowledging that school safety is a shared responsibility that depends on student commitment and involvement.

CATHOLIC EDUCATION WEEK – MAY 3 - 8, 2020

The theme for Catholic Education Week 2020 will be:

IGNITING HOPE / ALLUMER LA FLAMME DE L'ESPERANCE

“May the God of hope fill you with all joy and peace in believing, so that you may abound in hope by power of the Holy Spirit” (Romans 15:13)

“Que le Dieu de l'esperance vous remplisse de toute joie et de paix dans la foi, afin que vous débordiez d'esperance par la puissance de l'Esprit Saint.” (Romains 15, 13)

EQUITY AND INCLUSIVE EDUCATION POLICY

RELIGIOUS ACCOMMODATION

“The Board and its staff are committed to the elimination of discrimination, as outlined in the Federal and Provincial legislation, in a manner which is consistent with the exercise of its denominational rights under section 93 of the Constitution Act, 1867 and, as recognized in section 19 of the Ontario Human Rights Code (*“the Code”*).

The Board recognizes, and is committed to, the values of freedom of religion and freedom from discriminatory or harassing behavior, based on religion, through its human rights policy, equity and inclusive education policy, the safe schools policy and curriculum documents. All of these will be informed by, and interpreted in accordance with, the principles of *the Code*.

This Procedure reflects the Board's fidelity to Canadian law protecting freedom of religion in accordance with the Catholic Church's teachings.” (GAP 327.00, 2013)

Students requesting accommodations must present a written notice to the principal from their parents/guardians specifying their accommodation needs relating to religious observances, including holy days on which they will be absent from school. This notice should be made in advance (where possible, at the beginning of each school year) to ensure that scheduling of major evaluations, such as tests, assignments or examinations, takes the religious observances into consideration. A Religious Accommodation Letter can be obtained from the school or at www.dpccsb.org.

BULLYING PREVENTION

DPCDSB prohibits bullying in all its forms, as a serious offence against the dignity of persons created in God's image, and as an affront to the integrity of Catholic learning communities. Bullying will not be permitted on school property either in classrooms or common areas, at school-related activities, on school buses, via social media, or in any other circumstances (including cyber-bullying) where engaging in behavior will have a negative impact on the Catholic school climate or disrupt the learning environment.

The board considers homophobia, gender based violence, and harassment on the basis of gender, gender identity, gender expression, sexual orientation, race, colour, ethnicity, culture, citizenship,

ancestry, origin, religion, creed, family status, socio-economic status, disability and/or any other immutable characteristic or ground protected by the Human Rights Code, as well as inappropriate sexual behavior unacceptable and supports the use of positive practices to prevent such behavior and authorizes principals, or their delegates, to impose consequences in appropriate circumstances, up to and including a referral to the Discipline Committee of the Board for expulsion from all schools.

VIOLENCE THREAT RISK ASSESSMENT PROTOCOL

All members of the DPCDSB community have the right to learn and work in a safe, caring and inclusive community under positive Catholic learning conditions. All staff and community partners work collaboratively to ensure the safety and well-being of students, staff and communities and to preserve the dignity of all staff and students. Under certain conditions, students may need to undergo a “Violence Threat Risk Assessment” when their behaviours confidently suggest they may be at risk of harming themselves or others.

Threat assessment is the process of determining if a threat-maker (someone who utters, writes, emails, and/or gestures a threat to harm a target or targets) actually poses a risk to the target or targets they have threatened.

In Dufferin-Peel Catholic District School Board all threat-making behaviours are reported to administration. Administration in consultation with their team will then discern whether or not to activate this protocol. Information is obtained from multiple sources to develop an intervention plan to reduce risk of violence. Catholic communities within Dufferin-Peel allow for students to grow, learn, reflect and work towards reconciliation with the appropriate supports.

FEES FOR LEARNING MATERIALS AND ACTIVITIES

Students in the Dufferin-Peel CDSB can expect to be provided with the basic classroom learning resources and materials needed to complete grade and course expectations during the regular day school programs.

Students are to come to school ready and willing to participate actively in their own learning. To that end, students are expected to bring materials with them for their own personal note-taking (e.g. pencils, pens, paper, and binders).

There will be no fees charged to students to participate in the regular day school program. However, as per the Ministry of Education Guidelines and Board Policy 20.00: fees may be charged where enhancements and upgraded or supplementary learning materials or activities are offered beyond the core curriculum; or, where optional programming is available beyond the regular course programs (e.g. International Baccalaureate, or non-foundational courses offered in Visual Performing Arts, Health and Physical Education, or Technological Studies). The purchase of enhanced or supplementary materials or participation in optional programs is voluntary.

Students involved in extra-curricular teams, groups and/or clubs will be made aware of any additional contributions required in the way of time, money or materials prior to making a commitment to participate.

All students shall adhere to Board policies and guidelines ensuring ethical and responsible use of technology.

The Dufferin-Peel Catholic District School Board is committed to establishing sportsmanship and developing healthy environments for competition. We believe that the role of Catholic Education in sport is to create a sports environment that is consistent with the expectations and virtues of our Catholic system and teaches all involved in sports programs to conduct themselves with sportsmanship and respect for all. The DPCDSB Sportsmanship and Ethical Conduct Guideline outlines the various expectations for all groups and individuals associated or participating in sports programs.

DPCDSB student-athletes must behave as ambassadors of their Catholic schools and athletes must honour the responsibilities that accompany the privilege of representing our schools by behaving with dignity and respect at all times, regardless of the behavior of others. Students are accountable for their actions in accordance with the Catholic Code of Conduct and the Principles of Progressive Discipline.

Parents attending games are reminded that all competitions are to be viewed in the context of a Catholic School learning environment for all students. Parents and family members attending competition are expected to act in an appropriate manner and respect all coaches, managers, teachers, officials and students.

Further, students must also meet and comply with requirements and rules and policies established by the Dufferin-Peel Catholic School Board-approved governing sports associations including:

- the Region of Peel Secondary School Association (ROPSSA);
- the Ontario Federation of Secondary Sport (OFSSA);
- community leagues subject to joint-agreements with the DPCSB;
- and /or tournament sponsors/organizers.

Students that fail to comply with rules and appropriate behavior while attending or participating in sporting activities, including off time, may be subject to penalties and sanctions imposed by the Boards of Reference which may include, but are not limited to: suspensions from play, notification to appropriate sport governing bodies, restitution, letter of apology, stripping of awards. The DPCDSB will cooperate with these groups to ensure adherence to league guidelines, investigate possible inappropriate behavior and enforce sanctions imposed.

ASSESSMENT AND EVALUATION POLICY

“Lord, You guide me with Your counsel.” ~ Psalm 74:24

The primary purpose of assessment and evaluation is to improve student learning. In a Catholic context, this means that our practices recognize and affirm the dignity of all learners, encouraging and supporting them to reach their potential in order to optimize their well-being, learning, and achievement.

The Dufferin-Peel Assessment and Evaluation Policy aligns with the Ontario Ministry of Education document *Growing Success 2010, First Edition*. This policy applies to face-to-face classroom instruction, eLearning, and blended learning.

KEY TERMS

ASSESSMENT is the process of gathering information from a variety of sources that accurately reflects how well a student is achieving the curriculum expectations in a course. This information is gathered for the following purposes:

- **Assessment for Learning** to determine where students are in their learning, where they need to go, and how best to get there. This includes:
 - **Diagnostic Assessment** which is used **prior to instruction** to gather information about students’ interests, learning preferences, and readiness to learn new knowledge and skills at the beginning of a course, unit, lesson, and/or concept. Students use this information to know themselves as learners and to recognize their skills and level of understanding before instruction begins. Information from diagnostic assessments does not count towards students’ grades.
 - **Formative Assessment** which is used **during instruction** to monitor student progress and provide feedback. Feedback helps students understand what they do well, where to improve, and what to do to improve.
- **Assessment as Learning** to provide students with the opportunity to reflect on their learning and determine next steps in order to achieve their goals. This includes the use of feedback from:
 - **Formative Assessment**
 - **Peer and Self-Assessment**
- **Assessment of Learning** to determine how well students have demonstrated achievement of the curriculum expectations. This includes:
 - **Summative Assessment** which occurs **at or near the end of a period of instruction** to summarize student learning.

EVALUATION is the process of judging the quality of student learning on the basis of established performance standards and assigning a value to represent that quality.

- Using professional judgement, each teacher will determine the grade for reporting purposes based on information collected over time from three different sources – observations, conversations, and student products.

THE ACHIEVEMENT CHART

The achievement chart is a standard province-wide guide. The chart provides a reference point and a framework in which to assess and evaluate student achievement using the four categories of knowledge and skills, as outlined below:

Knowledge and Understanding	subject-specific content acquired in each course (<i>knowledge</i>) and the comprehension of its meaning and significance (<i>understanding</i>)
Thinking	the use of critical and creative thinking skills and/or processes, as follows: planning skills, processing skills, and critical/creative thinking processes
Communication	the conveying of meaning through various forms
Application	the use of knowledge and skills to make connections within and between various contexts

LEARNING SKILLS AND WORK HABITS

The six learning skills – **Responsibility, Organization, Independent Work, Collaboration, Initiative, and Self-regulation** – are not included when determining a student's grade, unless cited as a specific expectation of the Ontario curriculum. These skills are evaluated separately on the provincial report card using a four-point scale:

E-Excellent **G**-Good **S**-Satisfactory **N**-Needs Improvement

FINAL GRADE

A final grade is recorded for every course. A credit is granted and recorded for every course in which the student's grade is 50% or higher. The final grade for each course in Grades 9-12 will be determined as follows:

- **70%** Term
- **30%** Final (CPT* and/or Final Examination)

Refer to individual course outlines for course weightings and components of the final 30%.

A CPT or **Culminating Performance Task is discussed later in this policy.*

A student's achievement of the overall curriculum expectations are evaluated in accordance with the achievement charts set-out by provincial curriculum and will be reported using percentage marks.

The following conversion chart shows how the four levels of achievement are aligned to percentage marks:

ACHIEVEMENT LEVEL	PERCENTAGE MARK RANGE <i>(used in grades 7-12 for reporting)</i>	SUMMARY DESCRIPTION
4+ 4 4-	95-100 87-94 80-86	<p>Level 4 identifies achievement that surpasses the provincial standard. The student demonstrates the specified knowledge and skills with a high degree of effectiveness.</p> <p>Note: <i>Achievement at level 4 does not mean that the student has achieved expectations beyond those specified for the grade/course.</i></p>
3+ 3 3-	77-79 73-76 70-72	<p>Level 3 represents the provincial standard for achievement. The student demonstrates the specified knowledge and skills with considerable effectiveness.</p> <p>Note: <i>Students achieving at level 3 can be confident that they will be prepared for work in subsequent grades/courses.</i></p>
2+ 2 2-	67-69 63-66 60-62	<p>Level 2 represents achievement that approaches the provincial standard. The student demonstrates the specified knowledge and skills with some effectiveness.</p> <p>Note: <i>Students performing at level 2 need to work on identified learning gaps to ensure future success.</i></p>
1+ 1 1-	57-59 53-56 50-52	<p>Level 1 represents achievement that falls much below the provincial standard. The student demonstrates the specified knowledge and skills with limited effectiveness.</p> <p>Note: <i>Students must work at significantly improving learning in specific areas, as necessary, if they are to be successful in the next grade/course.</i></p>
Below Level 1	Below 50%	<p>Below Level 1</p> <p>Insufficient achievement of specified knowledge and skills. Extensive remediation is required.</p>

STUDENT ABSENCES: 70% TERM

Regular attendance on the part of students is vital to the learning process. Teachers will not be able to measure the achievement of curriculum expectations of students who miss assessment and evaluation opportunities. **Where there is an awareness of a family-initiated absence, parents/guardians should notify the school at least two weeks in advance.**

In the event of an absence, details regarding communication and next steps related to missed assessments are outlined in the following chart:

Type of Absence	Communication	Next Steps
illness	The parent/guardian will contact the school <u>as per the school's attendance policy</u> indicating that he/she is aware of the missed assessment(s)*.	On the day of his/her return , the student and teacher(s) will make arrangements to address the missed assessment(s)* in a timely and reasonable manner.
appointments/events (e.g., specialist, dance competition, piano exam)	In advance , the student will advise the teacher of the upcoming absence which will be verified by the parent/guardian <u>as per the school's attendance policy</u> .	In advance , the student and teacher(s) will make arrangements to address the missed assessment(s)*.
school-related (e.g., Student Council, football game, field trip)	In advance , the student will advise the teacher of the upcoming school-related absence.	In advance , the student and teacher(s) will make arrangements to address the missed assessment(s)*.
prolonged (e.g., bereavement, hospitalization, elite athletic training, role in a movie)	The parent/guardian will advise the school of the prolonged absence as soon as possible. The appropriate administrator, guidance counsellor, teachers, and support staff will be advised, as well.	In advance , where possible, the student and teacher(s), in consultation with the administrator, will make arrangements to address the missed assessment(s)*.
religious accommodation (e.g., holy days, religious observances)	In advance , (preferably in September as per the board's Religious Accommodation Policy), the parent/guardian will advise the school, in writing, of the upcoming religious accommodation request.	In advance , the student and teacher(s) will make arrangements to address the missed assessment(s)*.
<i>Although students may be suspended from school, efforts are made to ensure that learning continues. Opportunities, as are provided to students for other reasons, will be made available to students re-entering a class/course after a suspension. * Assessment refers to assessment of learning which leads to evaluation.</i>		
suspensions 1-5 days	The appropriate administrator will advise the teacher of the suspension. Curriculum course work (e.g., homework, assignments) will be provided for the student during the suspension, as per <i>Safe Schools</i> .	At the conclusion of the suspension period, arrangements will be made between the teacher and student to address the missed assessment(s)*.
suspensions 6-20 days	The appropriate administrator will advise the teacher of the suspension. Academic components (curriculum course work) will be determined during the development of the Student Action Plan in consultation with the school team which also includes the student, parent(s)/guardian(s), and course teachers, as per <i>Safe Schools</i> .	At the conclusion of the suspension period, administration and teachers will refer to the student's SAP and discussions at the re-entry meeting to inform decisions regarding missed assessment(s)*.

CONSEQUENCES FOR MISSED ASSESSMENTS

In the event that the student does not address the missed assessment(s) as per the teacher-student arrangement, a zero may be assigned.

If it is determined that the assessment(s) has/have been missed as a result of a skip or truancy, a zero may be assigned.

Note: Students receive individual marks on group assignments; therefore, the absence of a student during a group/seminar presentation will not impact on the achievement of the other group members.

SUBMISSION OF ASSIGNMENTS FOR EVALUATION

Timelines for submission of assignments for evaluation are established to encourage students to manage their time and to take responsibility for their learning. Timelines are also established to allow teachers to effectively deliver curriculum, support students, and manage the evaluation of assignments.

It is important, therefore, that students work towards meeting required timelines. Students are responsible for approaching the teacher, in advance of the established due date, if they encounter difficulty with an assignment and/or meeting the established due date.

Where a mark deduction is considered for a late assignment, the following process will be used:

Due Dates	Late Submissions
<p>A due date is set by the teacher.</p> <p>Students work towards meeting this due date.</p>	<p>If the assignment is not submitted by the due date, a closure date is established. This date is determined on a case-by-case basis.</p> <p>If the assignment is submitted by the closure date, up to 10% mark deduction may apply.</p> <p>If the assignment is not submitted by the closure date, a zero may be assigned.</p>
	<p>The Learning Skills and Work Habits section of the report card will reflect late and missed assignments.</p>

ACADEMIC HONESTY

It is the responsibility of students to be academically honest in all aspects of their school work so that the marks they receive are a true reflection of their own achievement. Academic *dishonesty*, therefore, is a serious offence.

Cheating is an act of academic dishonesty and comes in many forms such as, but not limited to, *communicating in any form, copying from others, and using unauthorized sources, notes, aids, and/or personal electronic devices (PEDs)*.

Plagiarism: an example of cheating, is the *act of claiming another's words, ideas, and/or work as one's own* such as, but not limited to: *copying an assignment completed by someone else; piecing together material from one or several sources and adding only linking sentences; quoting or paraphrasing material without citing the source; copying and pasting from the Internet or other electronic sites without citing the source; not providing quotation marks for direct quotations, even if the sources have been cited; falsifying a citation.*

Depending on the circumstance, an appropriate consequence will be assigned which may include, but is not limited to:

- redoing the assignment/test;
- redoing a section of the assignment/test;
- completing an alternative assignment/test;
- assigning a zero.

STUDENT ABSENCES: 30% FINAL

It is expected that students be present to complete all components of the final 30%. These final evaluations are designed to enable students to consolidate their learning and skills from the course and demonstrate achievement of the overall expectations. These evaluations will occur at or near the end of the course during the regular school day and/or during the formal exam period. ***There will be no exemptions from final 30% evaluations.*** Any urgent matter should be referred to administration.

Depending on the grade, level, and nature of the course, the final 30% may include:

- an exam worth the full 30% **or**
- an exam and a culminating performance task worth 30% **or**
- a culminating performance task worth the full 30%.

Student Absences during the Culminating Performance Task (CPT)

A **Culminating Performance Task (CPT)** is a consolidation and demonstration of student learning. The CPT is a scheduled course requirement and students have practised and prepared for it throughout the term. The CPT is completed during class time and under the supervision of the teacher, although minor aspects of the task may be completed outside of class time (e.g., rehearsing lines, practising an instrument, locating materials, gathering research/data).

The potential academic consequence for missing part or all of this final evaluation is a mark deduction or a zero.

Student Absences during the Formal Exam Period

A student who is absent from a scheduled exam due to **illness** will provide a medical note to verify that absence; otherwise, a mark of zero will be assigned.

If it has been determined that a student's absence is as a result of a **skip/truancy**, a mark of zero will be assigned.

Note: Formal exam days are published well in advance and permission to write final exams outside of the designated dates/schedule will not be granted. In the event of school closure and/or bus cancellations

due to weather conditions, the exams normally scheduled for that exam day are to be rescheduled for the identified snow day.

Special circumstances may result in exceptions to this evaluation policy.

Such cases will be referred to the administration for consideration.

HOMEWORK POLICY AND PROCEDURES

DPCDSB Summary for Grades 9 - 12

“Teach the righteous and they will gain in learning.” ~ Proverbs 9:9

As a faith-based system, the Dufferin-Peel Catholic District School Board approaches all issues from a Catholic worldview that recognizes the importance of family time and honours the bonds between school, family, and parish in all that we do. The stronger these bonds, the more effectively our students are able to learn and to develop the unique talents and gifts with which they are blessed.

Types of Commonly Assigned Homework		
Completion	any work assigned following instruction that is begun in class and completed at home	helps students to keep up-to-date with the instructional program
Practice	any work that reviews and reinforces skills and concepts learned in class	helps students to develop newly acquired skills and consolidate new concepts
Preparation	any work that prepares students for new learning or for upcoming summative assessments / evaluations	requires students to gather information or artifacts in preparation for learning or requires students to prepare for tests, presentations, performances, etc.
Extension / Projects / Major Assignments	any work that explores learning in new contexts or integrates / expands on classroom learning	encourages students to problem solve, think creatively, and think critically

Quantity of Homework	
Secondary Intermediate (Grades 9 & 10)	Homework shall be limited to 20 minutes on average per day per course.
Secondary Senior (Grades 11 & 12)	Homework shall be limited to 30 minutes on average per day per course.

Reporting of Homework

The Learning Skills and Work Habits section of the provincial report card describes skills which are foundational to student success. Homework is reported in this section, separate from achievement of curriculum expectations. Late, missed, and incomplete homework will impact the Learning Skills and Work Habits section of the report card.

In secondary schools, homework is factored into the grade only where it is a specific expectation for that particular course (e.g., GLE / GLS10 Learning Strategies).

Homework during Extended Absences

Teachers shall not be expected to provide detailed homework assignments to students who are away for extended periods of time as a result of family-initiated absences, although a general overview may be provided. For absences due to extended illness, parents should contact the school administration to discuss available options.

Student Responsibilities

- manage time and priorities to ensure a healthy balance between homework, extra-curricular activities, part-time employment, and leisure time;
- ensure that they clearly understand the homework assigned and ask for clarification or assistance from the teacher when homework assignments or the expectations are not understood;
- complete assigned homework on time;
- complete assigned homework to the best of their ability;
- record homework in their agenda or student planner;
- ensure that required materials and resources are taken home and returned, as necessary.
