Our Mission

The Mission of the Dufferin-Peel Catholic District School Board (DPCDSB), in partnership with the family and church, is to provide, in a responsible manner, a Catholic education which develops spiritual, intellectual, aesthetic, emotional, social, and physical capabilities of each individual to live fully today and to meet the challenges of the future, thus enriching the community.

Catholic Traditions

DPCDSB includes the teaching of religion, family life, the practice of prayer and worship, and the presence of Gospel values in the curriculum and daily life in the schools. Schools have strong links to parishes and assist parishes with sacramental preparation. Parish staff conduct liturgies and provide other services within the schools. The Catholic school system maintains strong links between the home, school and church, and parental participation in the education of students is highly encouraged. These links provide for a natural reinforcement and development of Christian values in the Catholic tradition.

DPCDSB of Trustees

DPCDSB schools are governed by a board of 11 trustees. Trustees develop policy, approve the DPCDSB's budget, address student achievement matters, and communicate parent/guardian concerns. Three student representatives, including an Indigenous Student Trustee, elected by their peers also sit with the board in a non-voting capacity.

Our Community of Schools

DPCDSB is one of the largest and most diverse school districts in Ontario, serving 1,213,841 residents over 2,670 square kilometres. The DPCDSB currently operates 151 Catholic schools (125 elementary and 26 secondary) throughout Mississauga, Brampton, Caledon, and Dufferin County, with a student enrolment of approximately 71,540 (41,642 elementary and 29,898 secondary students). In addition, approximately 37,000 students are enrolled in the DPCDSB's Adult and Continuing Education Programs each year.

At DPCDSB, our goal is to provide quality Catholic education that teaches students necessary life skills and prepares them for post-secondary education, the workplace, and their role as responsible citizens. Our staff is one of our greatest resources. The people we hire have a direct impact on the success of our students. With approximately 8,000 employees, the DPCDSB is one of the largest employers in the region. The DPCDSB continues to build new schools, as well as renovate and construct additions to existing facilities.

DESTINATIONS is an information directory of Dufferin-Peel Catholic schools. This resource provides information about DPCDSB facilities, administration, school boundaries, programs and services. For further information regarding school boundaries and maps, contact the Planning Department at 905-890-1221. GIS data is provided courtesy of the City of Mississauga, City of Brampton, Region of Peel, County of Dufferin and Halton Region.

Semester 2: June 18, 19, 20, 23, 24, 2025	June 25, 2025 – Instructional Day – Examination Review

TRUSTEES

Dufferin-Peel's Catholic schools are overseen by a board of 11 elected trustees. Trustees serve as system leaders of publicly funded education in their communities and province. They work collaboratively with their community to shape a vision for the board that is reflective of the input of parents, students and community members. Trustees advocate for excellence in education and act as role models to engender confidence in publicly funded education. In addition, Catholic school trustees have a clearly defined role as stewards and guardians of Catholic education. Two student trustee representatives, elected by their peers, also sit with the board in a non-voting capacity.

CHILD CARE PROGRAMS

Various child care services are available at many Dufferin-Peel Catholic District School Board schools. All programs are licensed by the provincial government and operated by third party child care providers. Admission policies for child care programs and the Board's schools are separate. Admittance to one does not automatically assure admittance to the other.

School-Age Child Care Programs (Before and After School Child Care)

The optional Extended Day Program for 4 and 5 year olds operates in accordance with the Education Act requirements. Where insufficient registrations are received to implement a separate Extended Day program, a limited number of 4 and 5 year olds may be accommodated in the 6 to 12 year-old Child Care Program operating at that school. Should interest increase, the situation may be reviewed at such time.

Before and After School Child Care Programs will operate on school days from **7:30 a.m. to school start and school end to 6:00 p.m.** Participation is optional and subject to daily and Professional Activity Day fees. Publicly funded fee subsidies may be available for families who qualify for financial assistance. **Please contact child care operators directly at the phone numbers indicated on the chart below for information regarding all aspects of these programs, including: fees, hours of operation, availability of space and fee subsidies. Additional information is also available on the Board's website: www.dpcdsb.org**

All boundary information is applicable to the current school year. Boundaries are subject to change.

Some secondary schools have a limit on the number of students that can enrol at the school.

Elementary boundaries are shown as coloured areas. Dashed outlines represent the portion of the boundary that is temporarily accommodated at the elementary school.

The key map shows the secondary school boundaries within the municipality. The featured school boundary is highlighted in yellow.

Elementary (Grades K - 8) feeder school locations are shown on the map as numbered symbols.

The designated Extended French school for eligible students living in the boundary of the featured secondary school.

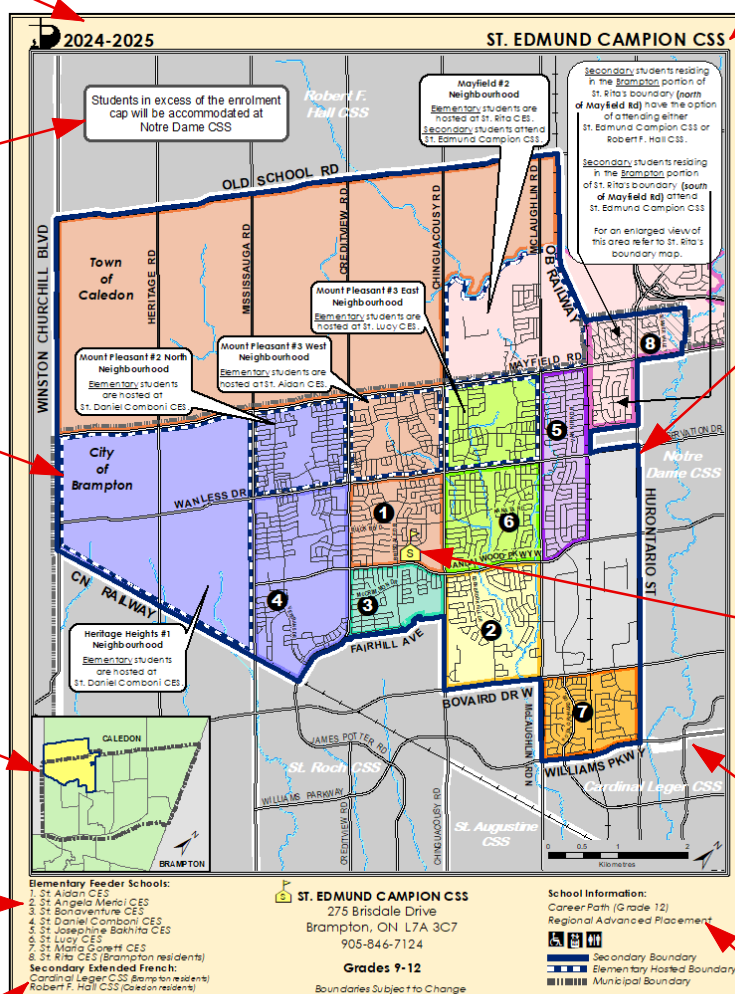

Featured secondary school.

Secondary students living within the secondary boundary (dark outline) are eligible to attend the featured secondary school.

Secondary school location.

Neighbouring secondary school boundaries are outlined and labelled in white.

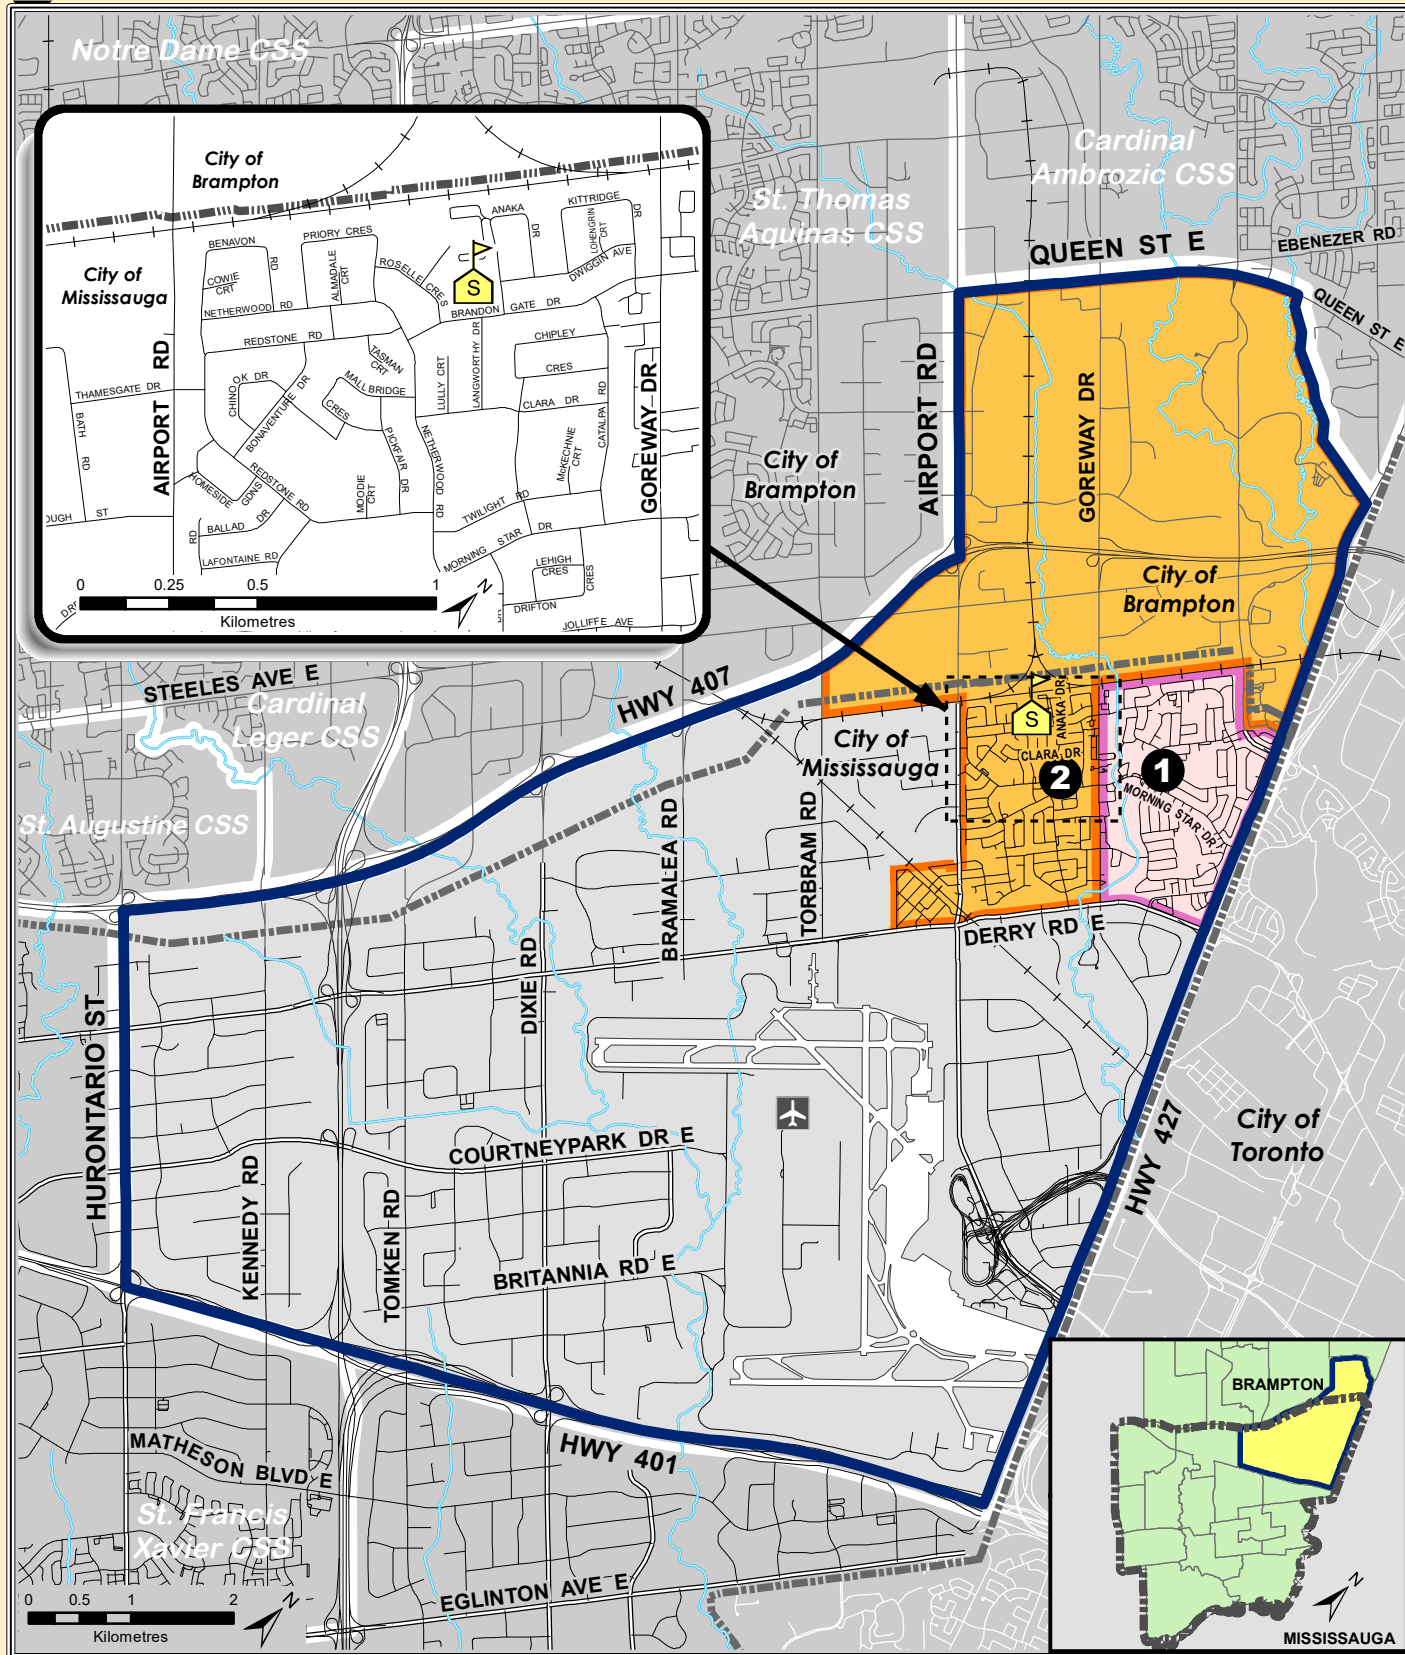

Regional programs or services offered at the featured secondary school. Program admission is subject to requirements and capacity.
