

St. John Ambulance

# BABYSITTING BASICS

This course is **designed for ages 11 to 15** to teach babysitting, leadership, and first aid skills in a fun and informative way. Parents want to know that they are leaving their children in the care of babysitters who understand the needs of their children and who can look after them confidently and competently, especially in emergencies.

## COURSE CONTENT (\$75)- 1 DAY

- ✓ Develop a mature and responsible attitude toward babysitting
- ✓ Provide physical care for children from infancy to age 10
- ✓ Meet the emotional and intellectual needs of children from infancy to age 10
- ✓ Be aware of safety hazards and practice injury prevention
- ✓ Cope with emergency situations
- ✓ Provide basic first aid
