

October 1, 2025

Dear Parent(s) / Guardian(s),

Any grade 4 student who is eligible to attend school in Dufferin-Peel Catholic District School Board (DPCDSB) is invited to apply for the Extended French (EF) program for Grade 5 in September 2026. The Extended French program starts in Grade 5 with 50% of the program taught in French at the elementary level. This program offers an excellent opportunity for becoming functionally bilingual in later years.

The DPCDSB currently offers the EF program at 11 schools, each of which serve students from designated feeder schools. Students **must** apply to the appropriate Extended French Centre, based on their home school location. See below for a list of Extended French Centres and their feeder schools.

**Transportation is provided for eligible students in the program** if they attend the Extended French Centre within their designated boundary. Both transportation and Extended French Centre locations are subject to board review and therefore subject to change. Boundary maps can be found on the [DPCDSB website](http://dpcdsb.org) (under Programs > Languages > Extended French).

More detailed information will be available during the **virtual EF information sessions for parent(s)/guardian(s)** which will be held according to the region of the Extended French school. We invite you to attend only ONE virtual session as the information shared will be the same in both sessions.

| <i>Mississauga Region</i>   | <i>Brampton, Caledon &amp; Dufferin Regions</i>  |

#### **SUBMITTING AN APPLICATION**

The dates for the EF application (using the Extended French on-line application website) will be announced at the Extended French Parent/Guardian information sessions. Applications will be available online through the [DPCDSB Extended French Webpage](#). Please note, in the case of an application by same-age/same-grade siblings, the parent/guardian shall submit one application per sibling.

#### **RANDOM SELECTION PROCESS**

Should the number of applications exceed the number of spaces available, a centralized, computer-generated random selection process will be held following the application deadline.

It is recommended that the parent(s) / guardian(s) attend the virtual information meeting to receive more detailed information regarding the grade 5 Extended French application process.

Sincerely,

*Carmel Murphy*
